

RED RIBBON CERTIFIED SCHOOL APPLICATION

APPLICATION PROCESS

This application assesses the extent to which a school is involved in the prevention of substance use (alcohol, tobacco and other drugs) among youth. Because a parent-teacher partnership with open communication is essential to a child's learning and healthy development, with both parents and educators responsible, the application and supporting web site becomes a primary prevention delivery system in schools to effectively engage parents.

A simple application addresses school practices across seven areas. Chief among the indicators is the extent to which parents are fully engaged as partners with the school in the education and healthy development of their children. To each statement, applicants respond "yes", "no" or "N/A". Following the yes or N/A response, applicants are asked to provide more detail. This sharing of effective best practices is part of the validation process, and a method to collect and build the web-based library of best practices. Information collected will be used in marketing and in statewide and local celebration of achievement. Not only will best practices begin to emerge, the unsung voices that "make prevention a priority" will be recognized.

APPLICATION FOR RED RIBBON SCHOOL CERTIFICATION WHAT ARE WE LOOKING FOR?

Schools that model prevention excellence. To be demonstrated by the following:

- 1.)** Healthy school environments that include commitment from leadership (principals, district school superintendent, school board, teachers and all school personnel), continuous in-service training for all school personnel on prevention principles and open and frequent communication.
- 2.)** Work guided by best practices and what works / Opportunities for all youth.
- 3.)** Parents as partners to improve academic achievement and reduce high risk behaviors of youth.
- 4.)** Year-round Red Ribbon events to communicate norms and expectations, and the relationship of achievement to resilience.

The application is to be completed by the application team to include the Principal, a parent, a student, a teacher and a lead person.
